NCM=NorthComm (former Rancho JPA)   03-HTL=Heartland Zone 1   04-HTL=Heartland Zone 2   05 HTL=Heartland Zone 3

ESC=North Agencies (ESC/NCM)   CHV=Chula Vista   SD1=San Diego Zone 1   SD2=San Diego Zone 2   SD3=San Diego Zone 3   f

Agency=Agency Specific talk groups. Each agency can assign any talk group they want to these slots   UNA=Unassigned (available for assignment by Zone Coordinator)

SD City   North Loop   South Loop   Countywide   Digital TG

01-NC	All talk groups assigned to North County JPA (combination of the old North Mutual Aid and NorthComm dispatch, tac and command talk groups) and Emergency Button activation talk group 1 Papa
02-ES	Escondido FD and NorthComm. Replaces the local zones and North Mutual Aid zones. Emergency Button activation talk group for ESC is 2 Papa
03-H1	All talk groups assigned to Heartland Fire (combination of the old East and South Mutual Aid and Heartland Dispatch and command talk groups) and Emergency Button activation talk group 3 Papa
04-HT2	All talk groups assigned to Heartland Fire (combination of the old East and South Mutual Aid and Heartland Dispatch and command talk groups) and Emergency Button activation talk group 4 Papa
05-H3	All talk groups assigned to Heartland Fire (combination of the old East and South Mutual Aid and Heartland Dispatch and command talk groups) and Emergency Button activation talk group 5 Papa
06-CV	All talk groups assigned to Chula Vista and Emergency Button activation talk group 3 Papa
07-SD1	San Diego City Zone 1 Assigned by SD City FD
08-SD2	San Diego City Zone 2 Assigned by SD City FD
09-SD3	San Diego City Zone 3 Assigned by SD City FD
10-CF	CDF Dispatch, Command, Tactical and Emergency Talk Group. Countywide travel talkgroups also located here. Emergency Button activation is on 10 Papa
11-RMA	County Mutual Aid
12-TRF	Transportable Radio (repeater). No Emergency Button activation talk group available with TRF.
13-CNV	Conventional zone (these channels do not have an alphanumeric identifier assigned to ensure terminology is consistent with state, national and international communications plans)
14-EMS	Combined ALS and BLS EMS talk groups. TRI B would be BLS while TRI A would be ALS. County EMS requests you consider putting your primary BLS destinations into this zone.
15- IFM	Fire, Law, Med Air and Reward talk groups also located here. Agencies without a need for EMS talk groups can use zone 14 as an Agency Specific zone. Mode 16 must be left blank on XTS3000 radios as the one open spot on the fleetmap.
16-TAC	Monta Vista / Rural Fire Tactical

Notes

FIREMARS 2 *may not be used* in Southern California.   This frequency is licensed to be used in Northern California only.

FMAR d is designed for "talk around" mode when radios cannot hit a repeated RCS talkgroup. Specific radio freq(s) is 868.9875 MHz.

RED: Conventional/Non-Trunked   **BLUE: Transportable Radio Facility**
